Applicant Instructions

Thank you for your interest in joining Nashua Fish & Game. Nashua Fish & Game Association membership is open to any person of good character, regardless of race, color, creed, sex or national origin, who is at least eighteen years of age.

The following instructions will help to guide you through the membership application process:

1. Insure that you fully complete the applicant information section and sign both the membership pledge / waiver, and the notice of investigative inquiry.
2. To join the association a senior member of the association must agree to sponsor your membership application. Once you have obtained a sponsor, insure that he/she fully completes the sponsor's section and signs as your sponsor.

Note: If you do not have a sponsor you may attend the monthly Board of Trustee meetings, held at our clubhouse on the third Wednesday of each month at 7PM and be interviewed for membership. If you attend a meeting and interview with a trustee, your initiation fee is due at that time.

3. You must attend a General Membership meeting. These meetings are held on the first Wednesday of the month at 7:30pm. Excluding: June, July August and January.
4. At the time of your orientation the membership governor will collect your initiation fee, first year's membership dues, and a gate key fee.

Applicant Fees

All applicant membership fees are collected when the applicant attends their new member orientations.

Applicant membership fees are prorated based on the remainder of the calendar year with the provision that orientations held after July 1 of the year will include dues for the following calendar year to allow the applicant the additional time necessary to complete their initial required 6 work hours.

The membership dues at Nashua Fish & Game are \$100.00 per calendar year. By the association's bylaws the new member initiation fee is set equal to the annual dues, \$100.00. The gate key fee is set as needed to cover the expenses associated with procuring the keys. This fee is currently \$10.00 and is subject to change in the future.

Several examples of initial membership fee calculations follow.
